

CARE AND MAINTENANCE

Vinyl Fence Cleaning

- Most dirt can be washed off with a mild soap and water solution.
- Heavier stains can be cleaned with any non-toxic household cleaner.

How Do I Clean My Vinyl Fence?

- On occasion you may want to spray your fence with a garden hose. This will remove grass clippings, dirt, and fertilizer chemicals to keep it looking as new as possible.
- To remove minor stains, use a non-abrasive liquid cleaner.
- For removal of major stains, follow the manufacturer's directions for one of the following cleaning agents:
 - Simple Green® All Purpose Cleaner
 - Mr. Clean® Magic Eraser
 - Mineral Spirits
 - Trichloroethylene
 - CLR (Calcium, Lime and Rust) Cleaner
 - Vinegar

**Note: Goof Off® and Goo Gone® are not recommended to remove stains.*

Maintenance Tips

To maximize the life of your fence, address these areas:

- Adjust the gate every Spring — As a reminder, gate adjustments and leveling are normal care and maintenance items that the homeowner is responsible for.
- Oil the gate hinges and tighten the screws once a year.
- Do not let the gate swing in the wind. Keep it secured.
- Deter children from swinging on the gate.
- Re-tamp and realign loose posts.
